

# AMORE

PIONEERING TOMORROW

Business  
Overview

# OVERVIEW

Globally start-ups, small and medium size business all encounter challenges when crossing the chasm of growth towards a sustainable future. Here at &More we want to ensure that future is not only sustainable but the beginning of a great success story. Our incubation services enhance any business through our networking, sales & lead generation, consulting, brand building & strategy, marketing & so much more!

# WHAT WE DO

## Connecting YOU to the RIGHT customer!

At &More we understand the challenges that businesses face when it comes to approaching and securing sales. A more direct and strategic approach creates great opportunity and a more successful sales process. We can help you!

Our dedicated, commission only, Nomadic™ sales and lead generation teams will provide your company with the boost it needs.

## Talking Strategy & Implementing It.

An effective business succeeds when an effective strategy has been developed and is implemented correctly. &More provides all it's clients with a turnkey solution to strategy development to allow for start-ups, small & medium size businesses to 'Blue Sky' their future while actively implementing change and innovation within your business.

We don't take over, WE EMPOWER.

## Searching for the right partner.

Whether you are establishing a new start-up or looking to expand your existing business, &More can provide you with all the various service providers, increase your business network and allow you the ability to focus on the core aspects of your business.

We will incubate your business in areas that usually don't get a lot of attention!

## Breaking down the cost.

Running a business can incur costs that eat away at your bottomline, however, &More prides itself in supporting company's while not breaking the bank. We structure your investment in our services through engagement and understanding your needs.

We aren't a cost to you, we're an investment in the future.

# NEXT STEPS

We will set up a meeting with the various stakeholders and conduct our free assessment of your business. Once completed we will present you with a proposal and then the decision lies with you.

Once the proposal has been accepted we shall implement our various strategies and solutions for your business to ensure that we achieve a sustainable and secure future for your business.

We achieve results.  
We make deals.  
We change the future.  
We pioneer new frontiers for your business.  
We go above and beyond &MORE!
